

The Council of the Corporation of the Town of Greater Napanee hereby proclaims April 6th, 2024 as "Tartan Day" in the Town of Greater Napanee.

Tartan Day is a celebration of Scottish heritage and the contributions of Scottish people to the development of our Canadian culture and identity. Canada first declared National Tartan Day in 2010. The observance of April 6th plays an important date in Scottish History as this is the date that Scotland's Declaration of Arbroath was signed in 1320, marking Scottish independence.
